Nursery Admissions

Dear Parent / Carer of

Thank you for showing an interest in our school.

At the moment our Foundation Centre is oversubscribed but your child remains on our waiting list – should a place arise we will contact you.

Places have been allocated in accordance with our Admissions policy.

Category 1 – children who are looked after by a Local Authority;

Category 2 – children with exceptional medical / social needs;

Category 3 – children who have an older brother or sister attending (or having attended within the last 5 years) Ringway Primary school when they take up the place and living at the same address. This includes adopted siblings, step siblings and foster children;

In the event that **Category 3** admissions will cause the school to exceed its set number of places, admissions will be prioritised according to the distance between the child's permanent address and the school, measured in a straight line. Those children living nearest to the school will be admitted until all the places have been taken up; and

Category 4 – children prioritised according to the distance between their permanent home address and the school measured in a straight line. Those children living nearest the school will be admitted until all the places have been taken up.

We are sorry if you are disappointed, but there are very strict adult ratio guidelines which we must adhere to.

Yours faithfully

N Forkan
Headteacher
