

Reception

Welcome back! Over the next two terms we will be learning about Under the Sea and journeys. Please encourage your child to extend their learning in these topics at home. If you go on any trips to the beach, journeys on public transport or holidays we would love to know. Please send in and share your pictures with us on class dojo so we can show the rest of the class.

Dates for your diary

To extend our learning about Under the Sea we will be taking an educational visit to **Sea Life** at the Trafford Centre. This will take place on **Wednesday the 8th of May**. Please return your permission slips asap.

Thursday the 4th July will be our leavers assembly. Please come and support your children in celebrating their time completed in the foundation stage. Please help to learn your child's lines with them and show your support by joining us on the day.

We hope you are enjoying reading with your child at home, they have all come along so much and love sharing stories with us in school. Continue to spend 5-10 minutes with them each day. Please ensure they bring their book bag everyday with their reading book and reading record inside. Children will continue to get spellings and handwriting homework on a Friday.

Your child should have their log on's in the front of their reading record for the learning tools that we use in school. Where possible, these are good websites to allow your children to play and don't seem like extra homework.

We love to play outside in all weathers and learn about the seasons. With the weather starting to show signs of getting warmer, there may be days where the children need **sun cream and a hat**. Please ensure sun cream is applied once in the morning before bringing your child into school. Please name all your child's belongings that are brought into school with them.

Thanks, the Reception Team.
