

HOW ARE YOU GOING TO SPEND THE NEXT 3 MINUTES?

Parents can now sign up for the convenience of paying for school meals by direct debit without having to fill in and post a form. It only takes a **few minutes**, and will save you having to find cash or write cheques to pay for your school meals:

What is it?

Live Kitchen is designed to improve school meals by letting you log in at home, pre-order meals for up to a term at a time, look up our recipes and nutritional information, and check your account balance. Pre-ordering means children get what they want for lunch each day.

Choose When to Pay

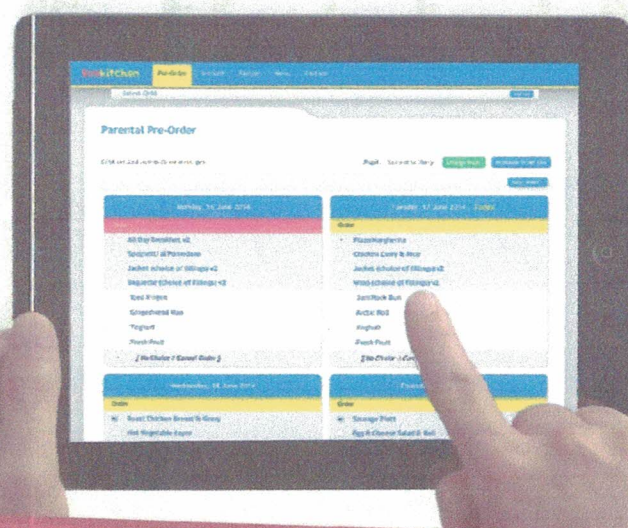

Parents can now choose whether they wish to pay at the start of the month, or in the middle. We will contact existing parents during the school holidays when this feature becomes available.

Prefer cash? Entitled to free meals?

When you sign up for Direct Debit we send you log-in details automatically. If you wish to continue paying by cash or receive free meals, you can still get an account by giving your email address to the school office.

Direct Debit

Direct Debit is the most convenient way to pay for your child's meals. With Direct Debit, you receive a statement each month, and we collect the money from your account two weeks later. We only charge you for the meals your child actually ate in the previous month. It also helps out the school office as there is less cash to look after.
