

## YEAR 3 AUTUMN TERM NEWSLETTER 2020

Mrs Hannent

Dear Parents and Carers,

Firstly, a BIG welcome back to the new school year. It is a little different to normal but I am very excited to be back with the children.

Our topic for the Autumn term is The Stone Age. We will become explorers and discover how people in the Stone Age lived. Our focus for science is Rocks, Soils and Fossils where the children will be carrying out a number of experiments.

### Some important information:

- Year 3H have P.E on a Wednesday morning. A P.E kit is not required but please send your child to school in appropriate footwear.
- Spellings/Key Words will be given out every Monday and will be tested the following Monday. Please help your child to learn them as all children getting full marks will receive a certificate.
- Homework will be given out via Purple Mash
- The Home Learning tab on the school website is accessible if your child has to self-isolate
- Please encourage your child to practise their times tables as they will have times table tests every week. The tables taught in year 3 are the 3, 4's and 8's
- Reading will be done via Bug Club so please encourage your child to read every day at home. You can also use Oxford Owl for free ebooks. Username: ringway20 Password read
- If you haven't already done so, please sign up to Class Dojo so I can communicate with you.
- Please send your child to school with a named water bottle
- I am available before school from 08:30 and after school via phone call only.

Thanks and take care,

Mrs Hannent
